

Name: _____

Palindromes

Palindromes are words that are read from right to left or from left to right. You can make sentences that can be read both ways too.

 Here are some palindrome words. Can you add more? 
ewe, madam, noon, did, bib.

Add your words in this box.

Did you know that there is a river in Australia called **GLENELG**? The word *Glenelg* is a palindrome because you can read it both ways. There is also a place in Australia called **HATTAH**, this is also a palindrome.

Find out which States the *Glenelg* river and *Hattah* are in. 

Here is a palindrome sentence. Can you think of more?

Was it a rat I saw.
