## Circle the spelling mistakes

terry came home late. It was dark and the outsiht light was broken. He stumbeld up the wooden steps and searched his pockets for the key. he had forgotten them again!

Were was the ladder? He would have to clime up to the bedroom window which was always left open. The too storey house looked dark and forbidding.

Terry carefuly made his way to the backjard where the ladder was leening against the shed. A sudden rustling made him wirl around...
