

Name _____

Oliver Cromwell

Oliver Cromwell lived from 1599 - 1658 in Great Britain. He was a remarkable man who certainly has left his mark on British history. He was a statesman, soldier and Lord Protector. Many people did not miss him when he died because what he tried to achieve was too far ahead of his time. Many of his ideas are now practiced and he has gained a respectful place in British history.

Your task

Locate a history book about Oliver Cromwell and write an essay about him.

Include the following points:

- When born
- Where born
- When he died
- What his position was as a statesman
- What his position was as a soldier
- What his position was as Lord Protector
- What you think life would be like in his time
