

Ecologist

Your Assignment:

- I. Read about the above topic on the Teaching Treasures Web Site.
 - II. Complete the online science quiz.
 - III. Write a report using the questions below.
1. Identify an area where ecologists work.
 2. Explain the type of work they do.
 3. Why does it benefit the ecosystem to have ecologists?
 4. Scan the Internet, newspapers or magazines for an article dealing with the work of an ecologist. Attach to your assignment.
 5. What subjects or key learning areas would you need to study if you wanted to be an ecologist?
