

Name: _____

Hi, I am
Willie Worm.

WORMS

Willie Worm is one of many worms living in Tom's garden. Tom puts food scraps in one corner of his garden. Willie Worm and his friends like to eat the scraps. Tom likes worms because they eat all the scraps. Willie Worm and his friends do lots of pooh droppings in the garden that is good for the soil. It helps Tom's vegetables to grow big and yummy. Tom does not kill the worms, they are his friends. Tom hopes that you don't kill worms either.

- Where does Willie Worm live? _____
- What does Tom put in the corner of his garden? _____
