

Name:

Colour the flag of Germany correctly.

Germany

Find out which river flows from Switzerland, through Germany to the Netherlands.

--

What language do Germans speak?

--

Write some German words in the box.

--

Germany was divided into West Germany and East Germany. It had a border fence between the two. In 1989 it was knocked down and now Germany is one country. Germany is a pretty country and lots of people visit the Black Forest.

1. Locate the Black Forest on a map of Germany.
2. Find out what a monorail is. Germany has some of these.
3. What is the capital of Germany?

--
