

Teacher's Note

- Obtain charcoal for your students beforehand.
- Collect magazines to make the cityscape collage. Ask students to help collect them.
- If you have time, make a cityscape collage yourself as an example copy for your students.

Suggested Activities:

- ❖ Have students use charcoal on large butcher paper to practice the art.
- ❖ Locate books that show pictures or drawings done with charcoal. Discuss the technique with your students.
- ❖ Make a large cityscape collage as a group project.
- ❖ Visit an art museum and discuss the different techniques used on the paintings, drawings and various art works.
