

Teacher's Note

Answers:

- Tetrahedron
- Egypt has the best known pyramids.

Suggested Activities:

- ❖ Use heavy cardboard and make an extra large pyramid design with the students. Decorate the sides with poems or nursery rhymes about pyramids. Students could write some poetry for the activity.
- ❖ Ask students to draw a pyramid. Are they able to draw 3D?
- ❖ Ask students to find paintings or drawings of artists who have used the pyramid shape in their work. Locate books or visit an art museum to help students with this activity.
- ❖ Visit <http://www.pbs.org/wgbh/nova/pyramid/explore/>
