Describe the day

Has any one ever asked you what kind of day you've had at school? You may have said, great, fantastic, terrible, boring or hot.

You'll need a calendar for this activity which has important dates and events marked on it. Can you describe what kind of day you may have had on the following dates? Use as many descriptive words as you can think of.

1st January

26th January

14th February

1st April

Write or tell what's so important about the above days and why we observe them.
