Write underneath each country what language the people speak.

Spain	Netherlands	France

Spain is popular for holidays because it gets hot and it is surrounded by water. Spain is a lovely country with many little villages. The streets in some villages are so narrow you can't get a truck through. People use donkeys to transport their goods. The houses are painted white for a very good reason.

Why are the houses painted white?

Which waters lap the shores of Spain?

Write the answers to the questions on the poster that you are going to make.

Design and make a holiday poster about Spain. Find pictures of Spain in travel brochures or old magazines.

Have Fun!
