

Name: _____

Australian Entrepreneurs

What is an entrepreneur?

Many Australians are great entrepreneurs and do very well in business. You might be familiar with some things like 'Vegemite, Surf Lifesavers, Compost Maker, Billy Can, Holden - the all Australian car or the Stump Jump Plough.

Do some research. Write two other great Australian entrepreneurs and their inventions in the graph below.

<i>Entrepreneur's name</i>	<i>Invention</i>

The atomic bomb is an invention that has caused much trouble in the world. It will continue to cause much trouble if used in war. Do you think the atomic bomb was a good or bad invention? Discuss this issue with other students.

If you were an inventor what would you invent?

*Be an
entrepreneur*

Design and build your invention.

First draw up a plan of your invention then build it using recycled or waste materials.

Ask a friend to help you if you like.
