

Name: _____

A G A R A G E S A L E

List twelve items you could sell at a garage sale.

1	2	3	4
5	6	7	8
9	10	11	12

Place a realistic value on the second hand goods you are selling.

Item	\$ \$ \$
1	
2	
3	
4	
5	
6	
7	
8	
9	
10	
11	
12	

If you wanted to earn \$100 from your garage sale, would you make that amount if you sold everything you listed? **yes / no**

Calculate how much money you've made. Note your shortfall or profit from \$100.

Short \$

Profit \$

Do you think having a garage sale is an enterprising way of making money?
Explain....&....discuss with others.

Design and make an attractive, colourful poster advertising your garage sale.
