

Teacher's Note

Answers:

- | | |
|------------------|-------------------|
| 1) 1/10 | 21) yes |
| 2) 63 | 22) 6 |
| 3) 180 | 23) 10 |
| 4) 6 (e.g. dice) | 24) XLIX |
| 5) 84 | 25) 20% |
| 6) 600 | 26) 12 |
| 7) 15 | 27) circumference |
| 8) 500 | 28) 7 |
| 9) polygon | 29) hectare |
| 10) six | 30) 9 |
| 11) 1/2 | 31) 300 |
| 12) two | 32) 1000 |
| 13) 3500 | 33) oval |
| 14) 26 | 34) four |
| 15) 42 | 35) 1000 |
| 16) 1000 | 36) 365 |
| 17) 31 | 37) 10 |
| 18) 25 | 38) 5 |
| 19) radius | 39) 75 |
| 20) six | 40) 100 |

Suggested Activities:

- ❖ Have a mathematics quiz. Make several small groups, get each group to work out questions they will ask the other groups. The first group to put there hands up can answer, if they get the answer wrong the other groups can have a go in turn. If the group asking the question gives the wrong answer they forfeit a point and it is given to the group with the correct answer.
